

**Elevator Board Meeting
Minutes of the Meeting
July 27, 2010**

Attendees: Kevin McGettigan, Gene Piermattei, John Otis and John O'Donoghue.

The meeting was called to order at 1:10pm. Due to lack of quorum there would be no official voting on the hearings until the next scheduled meeting.

At the 1:00pm hearing John Petty, Service Superintendent of the Kirstein Building, 330 Brookline Ave., in Boston, came before the board to request testing of a new scissors lift. It has never been inspected by the state.

A motion was made to put the inspection on hold until an inspector and board member go to out to see the installation. It is now taken out of service until checked out. A vote will be taken at the next meeting with a full quorum.

At the 1:30 hearing there was a variance to allow a vertical left travel to 12'5" from the bottom of the landing at the Armenian Apostolic Church, 315 Church St., in Whitinsville. Motion to grant variance 3 for 1 against (Kevin McGettigan).

A vote will be taken at the next meeting when there is a full quorum.

The 2:00 agenda item, Todd Grossman will be rescheduled for the next meeting with a full quorum.

At the 2:30 hearing David Costello, Elevator and Repair Company owner petitioned to allow an elevator controller to remain in the hoist way of a private residence at 46 Alice Way, in Agawam.

The board denied the variance 4-0.

Motion to adjourn at 2:25pm, approved 4-0.
